

WATER SHORTAGE EMERGENCY

Residential Customers in Ventura County Waterworks Districts' Moorpark, Bell Canyon, Somis, and Lake Sherwood may only irrigate lawns 1 day per week on Saturday for addresses ending in an odd number and Sunday for addresses ending in an even number

	Sun	Mon	Tue	Wed	Thu	Fri	Sat
Addresses ending in an EVEN number							
Addresses ending in an ODD number							

- Lawn irrigation no more than 15 minutes per zone, until August 31, 2022
- Lawn irrigation no more than 10 minutes per zone, on and after September 1, 2022
- Use multiple, shorter lawn irrigation cycles to eliminate runoff (5-7 minutes in morning before 9 a.m. and 5-7 minutes in the evening after 4 p.m.)
- Only applies to non-functional, ornamental turf (lawns)
- As needed to support healthy growth, efficient drip irrigation and hand-watering of trees, shrubs and/or plants is permitted
- A minimum 30% water reduction is required
- Restrictions as per Metropolitan Water District Emergency Conservation Program
- Use exceeding volumetric goals will result in penalties of up to \$2000.00 per acre-foot per District
- Fines on District could result in rate increases
- Please do your part to assist!
